

## Welcome to NowYouHearMe - Post Installation Steps

Your computer will be the Audio Host & will have 1 Listener.

*In order to send audio accross the Internet we first need to join your computer to your  
nowyouhear.me account.*

**You will have to run this program EVERY TIME you want to connect  
to your account and stream audio.**

1. Open nowyouhearme-connect.exe located on the Desktop.

2. Enter your email to connect your computer to your nowyouhearme account.

```
nowyouhearme-connect
*****
Welcome to NowYouHear.me
*****
Obviously, you'll need an internet connection to run this.
The steps below will join you to your nowyouhear.me network.
Please input your email, then press enter:
```

3. Follow the steps in the connect program.
4. After you connect to your nowyouhear.me network, **you must keep the console window open** to stay connected. You can minimize it.

```
nowyouhearme-connect
*****
Keep this window open to stay connected to your NowYouHear.me network.
*****
You may minimize the console.
Press spacebar TWICE to PROPERLY disconnect and exit...
```
